

Air Injected Sulfur Control Systems

The Simply Soft Sulfur Filtration System is a special carbon filtration process that is enhanced with the injection of air into the system. Air injection provides a source of oxygen to accelerate the oxidation of sulfur.

Standard Features:

- Regenerates When Needed Based On Water Usage
- 1" Vortech™ Distributor System
- Corrosion Resistant Components
- No Fasteners, Screws Or Bolts
- Single Motor Driven Piston Operated
- Seamless Fiberglass Wrapped Resin Tank
- 1" MIP Pipe Connections
- No Air Injectors To Plug

Operating Conditions:

- Outside water usage must be bypassed
- Iron in feed water \leq 2 ppm
- Secure drain connection - code compliant

PRODUCT SPECIFICATIONS

Model No.	Tank Size	Cont FR 15 psi Drop	Sulfur Reduction	Pipe Conn. Size	Max Drain Flow gpm	Drain Size	Dist Type
1P-SS 1054 S	10" x 54"	8 gpm	.1 - 7 ppm	3/4" - 1"	3.2	5/8"	Vortech™
1P-SS 1354 S	13" x 54"	10 gpm	.1 - 10 ppm	3/4" - 1"	4.2	5/8"	Vortech™

ADDITIONAL OPERATING INFORMATION

Not intended to be used to treat water that is Microbiologically unsafe or of unknown quality without adequate disinfection before or after the system. Installation must comply with all state and local codes.

See manufacturer's warranty sheet for details on warranty

Operating Water Temperature Range	Max 100°	Minimum 40°
Operating Ambient Temperature Range	Max 120°	Minimum 40°
Operating Pressure Range	Max 125 psi	Minimum 20 psi
Electrical components	110v - 60 hz 0.5 Amperes

Simply Soft Problem Water Systems Limited Warranty

Warranty Policy

Lee Supply Corp. warrants this water treatment system as stated herein:

From the date of shipment, when we receive any part (or parts) described below, during the specified period below, which we find defective because of faulty materials or workmanship or corrosion, we will repair or replace the part (or parts) and return it to the customer. The customer pays only freight to and from our repair facility and local labor and / or service charges.

-
- **Five Years On All Parts**
 - **Five Year On Control Valve**
 - **Lifetime on Mineral Tank**
-

General Conditions

Damage to any part of this water treatment system because of misuse, misapplication, neglect, alteration, accident, shipment or operation contrary to our printed instructions, or damage caused by accident, freezing, flood, fire or Acts of God, is not covered by this warranty. In all such cases, regular parts and service charges apply.

We assume no warranty liability in connection with this water treatment system other than specified herein. This warranty is in lieu of all other warranties, expressed or implied, including warranties of fitness for a particular purpose. We do not authorize any person or representative to assume for us any other obligations on the sale of this water treatment system.

This warranty becomes effective on the shipment date of the covered system. Should a malfunction occur, contact Lee Supply Corp. or an authorized dealer.

This warranty applies to the original owner at the original location. This warranty is transferable to subsequent owners or locations only with prior written consent by Lee Supply Corp. Prior to written consent on transferring this warranty the system may require inspection by a service technician from Lee Supply Corp. or one authorized by Lee Supply Corp.
