

## High Activity Carbon (HAC) Filtration System

Simply Soft High Activity Carbon Filter is very effective in chlorine reduction and improving taste and odor issues with household water. Activated carbon is also very effective at filtering and absorbing dissolved organic chemicals such as insecticides, detergents, phenols and other contaminants from both natural and industrial sources which may cause taste, odor and color problems. Since HAC systems are limited in the types of compounds they remove, homeowners who suspect they have a water quality problem should be advised to have their water analyzed by a reputable water testing lab. When municipal water providers combine chlorine and ammonia for disinfection, catalytic carbon is recommended in place of HAC.

### Standard Features:

- Advanced electronics smart appliance
- 1" high flow design with 1" Vortech distributor
- Corrosion resistant components
- No fasteners, screws or bolts
- Single motor driven piston operation
- Premium high activity carbon media
- Lifetime seamless fiberglass resin tank
- Backwash may be scheduled on gallons or days
- 1" Bypass
- 1" JG fitting kit

### Optional Feature:

- Catalytic: High Activated Carbon (CAT-HAC)

# Simply Soft Water Treatment System Limited Warranty

## Warranty Policy

Lee Supply Corp. warrants this water treatment system as stated herein:

From the date of shipment, when we receive any part (or parts) described below, during the specified period below, which we find defective because of faulty materials or workmanship or corrosion, we will repair or replace the part (or parts) and return it to the customer. The customer pays only freight to and from our repair facility and local labor and / or service charges.

- 
- **Five Years On All Parts**
  - **Ten Year On Control Valve**
  - **Lifetime on Mineral Tank**
  - **Lifetime on Brine Tank**
- 

## General Conditions

Damage to any part of this water treatment system because of misuse, misapplication, neglect, alteration, accident, shipment or operation contrary to our printed instructions, or damage caused by accident, freezing, flood, fire or Acts of God, is not covered by this warranty. In all such cases, regular parts and service charges apply.

We assume no warranty liability in connection with this water treatment system other than specified herein. This warranty is in lieu of all other warranties, expressed or implied, including warranties of fitness for a particular purpose. We do not authorize any person or representative to assume for us any other obligations on the sale of this water treatment system.

This warranty becomes effective on the shipment date of the covered system. Should a malfunction occur, contact Lee Supply Corp. or an authorized dealer.

This warranty applies to the original owner at the original location. This warranty is transferable to subsequent owners or locations only with prior written consent by Lee Supply Corp. Prior to written consent on transferring this warranty the system may require inspection by a service technician from Lee Supply Corp. or one authorized by Lee Supply Corp.
